- Hindi (Basic)

PROFILE

Motivated and fast-learning developer intern with a strong grasp of software development principles and project collaboration. Experienced in building applications through academic and personal projects. Eager to contribute to real-world solutions and grow in a professional development environment.

EDUCATION

Bachelor of Computer Science   2023 - 2027
M S Ramaiah Institute Of Technology Bengaluru
GPA: 9.16 / 10.0

Pre University College   2021 - 2023
STG pu college
GPA: 96.6 / 100.0

PROJECTS

Rural Finance Empowerment Platform

Built a full-stack platform for rural users featuring income–expense tracking, SIP calculators, daily financial news, multilingual support, access to schemes, industrialist mentorship, and loan awareness to drive financial literacy and empowerment.
Technologies Used: Socket.io, Node.js, MongoDB, Express

Smile - Education Platform

Built a secure education platform with courses, quizzes, and coding tutorials. It enables collaboration with content creators to grow subscribers and user base, includes progress tracking, and is fully encrypted with login credentials—ready for deployment.
Technologies Used: Node.js, Express, MongoDB, TriviaDB API

ACHIEVEMENTS & HACKATHONS

Participated in 24 hour Fin-A-Thon hackathon on rural empowerment, presenting tech solution for financial inclusions.

Ranked in the top 5 out of 300 participants in a CodeGolf , a coding competition conducted by the ACM student chapter.

Recognized with the Best Team Award in a 24-hour HackVenture hackathon for developing an education-based web application.
